

Dubuque County
DEMOCRATIC PARTY

2026 DUBUQUE COUNTY DEMOCRATIC PARTY PLATFORM

PARTY MISSION

We believe that the American dream of peace, security, and opportunity is achieved through securing human rights, economic equality, and environmental justice for all people. Therefore, we advocate the adoption of the practices summarized below.

SECTION SUMMARIES

AGRICULTURE, ENERGY, AND ENVIRONMENT

We believe in certifiable agricultural practices that are economically sustainable and protect people, land, water, and air resources now and for future generations. We believe that protecting our environment will counter the destructive effects of climate change, greatly expand employment opportunities, and improve our quality of life.

ECONOMY, COMMERCE, AND LABOR

We believe in a just economy that benefits all workers, vulnerable populations, and businesses. We believe all workers deserve the right to fair pay, equitable working environments, and safe working conditions.

EDUCATION

We believe in providing sufficient funding to ensure that all students learn in an environment that is safe, accessible, comprehensive, and affordable. Doing so leads to improved student outcomes and creates a lifelong love of learning.

GOVERNMENT AND LAW

We believe that our elected leaders must improve social justice and domestic tranquility by promoting ethical, legal treatment for all and providing equal rights under the law. We appreciate the sacrifices of our veterans, reservists, and active-duty service members and their families and pledge our full support.

HEALTH AND HUMAN SERVICES

We believe that a healthy society acknowledges and supports the need for self-determination and dignity of all people in achieving mental and physical wellness.

INTERNATIONAL AFFAIRS

We are committed to worldwide peace and sustainable prosperity by supporting international laws and treaties that heavily emphasize diplomacy, human rights, and peaceful conflict resolution.

VETERAN HEALTH

92. Continue funding for the [Injured Veterans Grant Program](#).
93. Ensure reduction of long wait times, increased clarity of eligibility requirements, and establishment of accountability for privatized veterans' health care providers.
94. Improve physical and mental health treatment for veterans.
95. Secure coverage for veterans and their family members, and civilian victims of [Agent Orange](#) and [burn pit](#)-related health issues (including second and third-generations)

INTERNATIONAL AFFAIRS

Peace and Security

96. Provide U.S. leadership in diplomatic conflict resolution and support of [human rights](#) for all people, including the right of self-governance and self-determination.
97. Ensure economic and participatory support for the [United Nations](#), World Health Organization ([WHO](#)) and for the North Atlantic Treaty Organization ([NATO](#)).
98. Adhere to [Geneva Convention](#) agreements with respect to prisoner treatment and prosecution of violators.

For further information on topics that appear in this platform, click on the underlined text.

99. Elevate [Bureau of Conflict Stabilization Operations](#) to cabinet-level status to more effectively resolve world conflicts.

Israel and Palestine

100. After decades of violence, the [Israeli and Palestinian peoples](#) deserve to live safely and freely within secure borders.
- a. Commitment to a sovereign Palestinian state within the June 4, 1967, lines based on United Nations Security Council Resolutions 242 and 338, which have been annually reaffirmed by the UN and are the international consensus. Opposition to ongoing military suppression of occupied Palestinian Territories (which include the West Bank, East Jerusalem, and the Gaza Strip). A just resolution between Palestine and Israel should be based on United Nations General Assembly Resolution 194 for the return of Palestinian Refugees of 1948, after an end-of-conflict treaty between the Palestinian and Israeli states, followed by normalization between Israel and the Arab states.

Russia and Ukraine

101. Support Ukraine's sovereignty and defense.

Immigration

102. Remove restrictions on visas that make it difficult for immigrants to work and attend school at the same time.
103. Include long-term protection for asylum seekers/refugees from conflict zones.
104. Decrease reliance on physical barriers and force in border security by utilizing technology and timely legal processes.
105. Support establishment of international relationships fostering human rights as outlined in International Affairs.
106. Promote timely application processing, issue work permits, and create an expedited [roadmap to citizenship](#).
107. Fast-track T and U Visas for survivors of human trafficking.

Military

108. Ensure the physical and economic protection of non-combatant civilians and children in war.

Nuclear, WMDs, and Conventional Weapons

109. Achieve international agreements to end proliferation and use of nuclear weapons, landmines, chemical weapons, cluster bombs, and cyber warfare.

Trade

110. Negotiating trade agreements that are transparent and environmentally responsible and that safeguard:
 - a. Rights and best interests of the American public.
 - b. U.S. jobs.
 - c. The well-being of populations in countries where the U.S. imports goods and materials.
111. We oppose tariffs that are unconstitutionally levied or without prior congressional approval.
112. Develop assistance for emerging countries through the [International Monetary Fund](#) and [World Food Program](#) to promote long-lasting growth, an improvement in trade, and an increase in economic opportunity.
